### **www.abc.net.au**

To put together a music video that gets attention, work with the artist to develop a full narrative for the video. As director Ninian Doff notes for advertising firm Saatchi & Saatchi, viewers aren't going to watch a four-minute long music video where a woman walks through a field for the whole time.

### **5 Tips to Direct Your First Music Video**

to film a music video. Always use the words videotape or tape. There's a big difference between shooting a music video with videotape and video cameras, and motion picture film and film cameras: (A) Videotape has magnetic properties. Recording (with a video camera and VCR), playback, and editing takes place electronically.

### **Music Video Director Guide**

You can spice up your video by adding stock footage, but you need to be aware that, like music, almost all video footage is subject to strict copyright law. Making use of footage without the copyright holders' express permission is illegal.

### **A Step-By-Step Guide to Making a Music Video**

Very simply, that means that every shot in those music videos looks like it was designed, lit and directed by the same person. This makes the whole music video gel together very well.

### **How to Make a Music Video: Planning, Shooting and Editing**

As a music video director you must realize that music is a product to be consumed. Record labels often get music videos made of the songs that they think will be their best selling product. All directors (including music video directors) need to decide how to develop their careers as artists.

### **How to Shoot a Music Video | Lights Film School**

A music video director is the head of music video production. The director conceives of videos' artistic and dramatic aspects while instructing the musical act, technical crew, actors, models, and dancers. They may or may not be in collaboration with the musical act.
