About National Geographic Field Guide to the Birds of North America, 7th Edition. This fully revised edition of the best-selling North American bird field guide is the most up-to-date guide on the market. Perfect for beginning to advanced birders, it is the only book organized to match the latest American Ornithological Society taxonomy.

**National Geographic Field Guide to the Birds of North**

Although it is an older version of this National Geographic field guide, it was newer than the field guide for birds that I had. It has great pictures of the birds with easy to follow identification. I am really enjoying this guide.
