Colonialism, Nationalism, Neocolonialism

The education system, perhaps more than any other sector, helped to reproduce categories of the "African," "Coloured," "Indian," and "white," and served as a primary means of constructing and reproducing racial and ethnic identities.

The Impact of Political Violence on Education in South

The purpose of this paper is to problematize that which has been taken for granted about the notion of multiculturalism in Japan. Multiculturalism is a novel issue in Japan.

The Issue of Diversity and Multiculturalism in Japan - ERIC

1. Defining Nationalism ... Explaining nationalism is not a simple task, since its application differs from state to state and most importantly, it depends on the terms by which a community defines itself, and by what they perceive as "national." Nationalism, then, requires a detailing of concepts such as state, nation, ethnicity, and ...

1. Defining Nationalism - Acervos Digitales UDLAP

society, since this idea is defined as a network of institutions, controls and education. This necessarily refers us back to a government, to a territory, to a political collectivity. The idea of society was and still is the ideology of nations in the making.
