CHAPTER 1: AN INTRODUCTION TO GENDER ... and not just as individual, but as social. The results of failure to recognize this challenge are manifest not only in the popular media, but in academic work on language and gender as well. As a result, some ... women should have red toenails and men should not. But while we think of sex as biological and

The term "normative discontent" is used to describe the widespread weight dissatisfaction among women today (Rodin, Silberstein, & Streigel-Moore, 1984). This concept suggests that dissatisfaction with one's weight has become so prevalent among women that feeling negatively about one's appearance is thought to be the "norm" rather than the exception.
