This dissertation seeks to answer the following question: how did the doctrine of justification fare one hundred years after Paul's death (c. AD 165)? The thesis argued is that Paul's view of justification by faith is present in the second century, which particularly challenges T. F. Torrance's long-held notion that the Apostolic Fathers ...

One possible explanation is that the introduction of octreotide in 1987 improved the control of carcinoid syndrome and changed the natural history of NETs. For example, carcinoid crisis with severe flushing, diarrhea, and hemodynamic instability, which was a major cause of morbidity and mortality in the past, now occurs rarely.
